RE: OPI MTSS Inclusive Youth Days  
DATE: April 16-17, 2023  
LOCATION: Missoula, MT- Holiday Inn Downtown

Greetings! The Montana OPI Special Education, Coordinated School Health, and Tribal Student Achievement, Relations and Resiliency Units have teamed up to bring back OPI MTSS Inclusive Youth Days April 16-17, 2023, in Missoula at the Holiday Inn Downtown, with additional dates and regional Youth Days in the works for the fall. Youth Days has positively impacted schools across Montana for many years and continues its mission to create a student forum for cultivating leadership skills, networking, service learning, and building the confidence to make positive contributions to both school and community.

The theme for the 2023 OPI MTSS Inclusive Youth Days is "The Leader Within." Youth Days is an inclusive event focused on youth voice and leadership development, community service and engagement, school safety, and mental health. With our partner Special Olympics Montana (SOMT), the OPI is excited to host this opportunity once again for Middle School and High School students of all abilities to develop their leadership potential.

This team effort will include a number of student-led activities. Please note that schools may be contacted in advance to solicit some additional student involvement and leadership with a number of the planned activities.

An **invitation** is extended to you and your middle school and high school students to apply to participate in the 2023 OPI MTSS Inclusive Youth Days.
