Rev Reinke Training on the road – April 2026 Report

When you read the stories and look at the pictures you will see SOME of the MANY people we met who can sign or have a desire for Deaf Outreach. We are praying for God to continue opening doors and spread Deaf Outreach in MANY areas around. We are now including the people we met in zoom classes to continue the training.

Texas was our first stop in January. We worked with Deaconess Rebecca Jungklaus and congregations in Huntsville, Sealy, and New Braunfels Texas. Plus, building relationships with and leading workshops at the Lutheran Elementary and Lutheran High Schools.

In Arizona we worked with people from Life in Christ Luthean Church, Trinity Lutheran Church, Mountain View Lutheran Church, plus from many area congregations. We attended and lead a workshop at the Best Practices Conference with thousands of people from around the U.S.! We also went to Deaf events It was GREAT to see old friends again!!

Southern California was a totally new area! We stopped in the area because we know Rev Justin Wood at St John Lutheran in Covina. Plus meeting with Congregations and LWML groups in Palm Desert and Bakersfield areas.

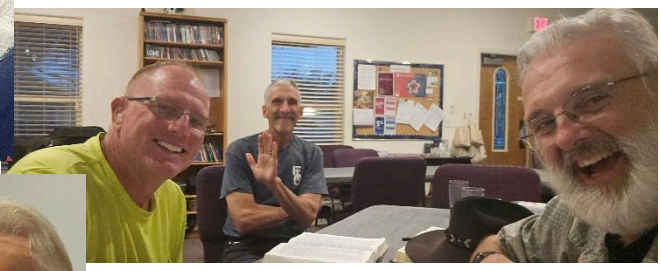

San Francisco area was a full two weeks of training, meeting with congregations, local pastors, district president, deaf groups, etc., etc..!!!

Pastor Gomez and Pastor Lenny (and wives) were GREAT hosts and we had awesome time working with the congregations and schools in the area!!

On the way from California to St Louis we stopped to work with Churches in Yerington (near Reno) and Albuquerque NM. The Pastor in Yerington wanted us to meet his Deaf member and see how we might work together. We meet on Tuesday morning at 7:30 (I thought short meeting). BUT we met from 7:30 until 11 am, then the Deaf man needed go to work – then we met again from 5 until 10 pm to talk and study more!!!

It was awesome meetings and we are planning workshops for 2027.

PLEASE HELP:
1. PRAYER - please pray for ALL the people working in Deaf Outreach!
2. CONTACTS – If you would like us to share about Deaf Outreach, host a Mission Festival, or host a workshop – please contact us!
3. SUPPORT – we need to raise all our funds to do the training on the road – some congregations can help with travel costs, but many cannot.

We VERY MUCH appreciate your prayers and support!!
