## STUDENTS

### DAILY:

- We will use Chromebooks every day. Please bring them and your charger with you. You may charge your Chromebook while in this class
- Begin the class by logging into Google Classroom. All assignments will be available on Google Classroom (either the assignment itself or the link to the assignment, or telling you to get it from your folder)
- Students will turn in all work electronically (either on Google Classroom or by submitting it according to the instructions on the assignment) or in their student folder (if on paper)
- Makeup work is the responsibility of the students and will be completed outside of class time, (Study hall, from home, during lunch)
- It is highly suggested that if the student is home from school and is well enough to complete school work, they do that so they do not fall behind in their classes.
- All work on any days absent (excused or unexcused) must be made up.

Students may email Ms. Snider (fastest response) or leave a voicemail.

Please include:

Phone message:

- Name, AND **period**
- Phone number ~ If you want a Ms. Snider to call you or just respond to your school email

Email: Please start all emails with the subject line including the period and initials of the course (2 FL 3 FL 4 FL 7 FL 8 FMGT)

## MY CLASS INFORMATION

- Student work is posted and submitted (unless a paper activity) via Google Classroom/Blackboard for Columbus State Community College CCP courses. If a paper activity, the student will turn all paper assignments using their class folder.
- Students must meet deadlines posted or a 10% deduction for late work; No work will be accepted after it is 1 week late unless arrangements have been made with the teacher, by the end of that week, for **EXCUSED** absences. Students **MUST** email the teacher when they complete an assignment late (including a subject line including the period Number and initials of the course; then write the exact name of the assignment in the email body).
- The most common question: **How do I/does my child get their grade up?** Answer:
  1. Complete the work and turn it in on time.
  2. Pay attention to the [agendas/notifications/streams](#) on google classroom.
  3. Read **ALL INSTRUCTIONS on EVERY assignment**~don't just assume what the teacher wants you to do. Read the instructions on both the assignment and where it is posted on Google Classroom
  4. **Ask for help**/schedule a one-on-one help session with Ms. Snider before work is due.
  5. Use proper grammar, punctuation, and capitalization; never leave any misspelled words on any assignment.
- 2nd most common question: **Does my student have missing assignments/Can they make them up still?** Answer:
  1. Please check Infinite Campus to see if your child has any assignments marked with a 0 or SAYS missing. Empty scores MAY not be graded yet. Empty scores are not included in the calculation of your child's grades until they are changed to missing or a 0.
  2. For assignments where the scores say missing or a 0 in Infinite Campus, ask your child to log onto their Google Classroom account and to show you that the assignment was COMPLETED and turned in. **Careful, they can press turn in without actually completing the work.** If in doubt, have them show you that the assignment is completed and it says turned in.

3. There are MORE assignments on Google Classroom than on Infinite Campus because I don't put them in Infinite Campus until I start grading some of the class assignments. So it is a good idea to check both if you are concerned about their grades.
- **When is the cutoff for late/make-up work? WITH PERMISSION-COMMUNICATE with Snider**
  1. Technically, it is 1 week, with a reduction in points
  2. District policy for makeup is 24 hours AFTER returning for each day in a row absent. So one absence would be about 48 hours (return day 1, due day 2). Two days of consecutive absences would be 72 hours (return day 1, 2 more days to complete work).
  3. **I will extend the make-up time if the student communicates with me and has a clear plan for completing the work.**
  4. Absolutely all work must be turned in by Friday at 5 PM at the end of each quarter or before taking the chapter test, whichever one comes first. Also, each grading period has 9 weeks with interims in the 5th week. Any work that a student was given an extension to complete, that is not completed by Friday after interims are posted, will not be accepted. So work from weeks 1-4 of each quarter will not be accepted after week 5 has ended. Weeks 5-9 will be accepted (if the teacher has extended time for your student) until the Friday of the end of the grading period.

## CLASSROOM RULES

**NO CELL PHONES Or HEADPHONES in class. This is a STATE Law.** If there is an emergency, please contact the school so they can bring the child to a private location to have a phone conversation with you. I know you think texts are only 15 seconds, but trust me, that 15 seconds turns into half the period your child is playing on their phone instead of working. The first infraction is a warning. For the second, the principal will come and take the cell phone (place it in a safe) until 3:20. 3rd- phone is taken by administration and parents must come pick it up. This is a district policy based upon a state law.

**NO FOOD OR DRINK** in the classroom--except those with reclosable lids - school rule

**NO HATS/HOODIES/Non-religious head coverings** - School rule in hallways and also in my classroom

**NO SLEEPING OR HEAD DOWN IN CLASS-** I will attempt to wake the student and offer to let them go to the nurse. If a student goes back to sleep or has their head down, I will note it on Google Classroom with the assignment so if there are any questions about grades in the future, I will have reminders.

**NO CHEATING/plagiarism - Copying** others's work or online work (copying and pasting) without citing sources. Googling answers for questions that are not part of a research activity, is cheating. I already know what the internet knows. I'm checking to see what the student has learned. For most assignments, **I don't allow copying & pasting.** (Students don't read what they are copying and pasting in most cases when allowed to do it.)

**STUDENTS MUST SIT IN THEIR ASSIGNED SEATS AND REMAIN THERE ALL PERIOD** unless directed otherwise by the teacher. This includes days when there may be a substitute teacher. The student may be marked absent if not in their assigned seat.

**Please make sure your student is getting adequate sleep at home.** Students who are attempting to nap in class will be asked if they are feeling okay and need to go to the clinic. Otherwise, they will not be allowed to complete the work at a later time.

**Please ask for help!!!!!!** I am willing to help after school (until 4:30 PM and the ride MUST be here by 4:30 PM) during lunches, during study halls, and sometimes before school if you communicate with me and there is room available in my classroom during those periods. I will also gladly schedule a Google Meet with you if you need help while at home (quarantine, home ill, etc). PLEASE email me to schedule a time.

**Please include in all emails to me:**

- ★ **P# Course initials (2FL, 3FL, 4FL, 7 FL, 8FMGT) in the subject line;**
- ★ **Parents, please include the student's name in the subject line when contacting me by email.**
