

575dance Spring Showcase

Performance Policies

This performance is optional. There is no additional cost to the student; monthly tuition paid does not include dress rehearsal and performance. These are at no cost.

We are happy to provide an opportunity for your dancers to learn and perform dances. It is such a growth experience not only as dancers but, also, as a community of dancers. Being prepared for a performance requires student and parent commitment. The students in each dance rely on the other students to be present at rehearsals. Performing is a team effort. Each class that your student attends will have a separate dance or section of a dance (Pre-pointe, Pointe and Int/Adv Ballet will do one longer piece with multiple sections). The following policies are required for each class the student is performing with:

- 1) Students may not miss more than **FOUR** classes throughout the entire rehearsal period (Feb. - May). If your student misses a fifth class and wants to participate in the showcase, a private lesson to rehearse the dance must be scheduled. The private lesson fee will be charged at \$25 for 30 min.
- 2) Dress Rehearsal (May 9) and arriving early for show run through on May 23 are **MANDATORY**. Mark your calendars now! Absence from either of these two will result in the dancer not performing. No exceptions.
- 3) This year we are opting for an informal showing at the studio. Dancers will be required to buy a matching leotard or top and, in some cases, accessories such as jazz pants or a ballet skirt. Specific color shoes & tights will also be required.
 - a) Ballet: skin tone
 - b) Jazz: black
 - c) Modern: skin tone

Please note that older dancers or those with costume changes should purchase a skin colored leotard to go beneath their costume. All undergarments should be skin toned as well.

- 4) Each family will receive ONE free ticket per performance (total of 2). Additional tickets will be available for purchase for \$5 each. Seating will be limited to approximately 50 people per show. Children able to sit on laps are free.

For dress rehearsal and the performances, we will need a few parents to help backstage. **ONLY** those parents who are scheduled to be backstage will be allowed in the dressing room area.

We hope to have all our students participate and show their loved ones the results of their hard work.

Full Dress @ the Studio

May 9th 12-3pm

**(come already prepared with hair in a bun,
make up, costume, snack that won't stain
the costume, water)
hopefully ending early**

May 23rd @ 575dance

run through at noon

(arrive completely prepared for the show)

snack break

1st show at 2pm

2nd show at 3:30pm

5pm cast party @ Vigil Park

Farewell to Jessica
