Hello AP US History Students!

I am very excited to have you in the AP US History class for the upcoming year. Before we get the year rolling, you will need to purchase the following texts. We used to go through Tattered Cover for these, but they have been unable to partner with us in recent years. Please secure the following texts online through Amazon, Ebay, etc..

It is very important that you purchase the **Brief 11th edition of the text**. Please make sure to purchase **BOTH Volume 1 and 2** if you are buying the split version of the textbook. Here is the book information:
