Are you facing the holiday season after a separation or divorce?

Traditions can feel different, social gatherings can feel stressful, and the future may seem uncertain. This specially designed seminar offers hope and practical tools to help you navigate this season with more peace.

Everyone is welcome — you don't have to be part of the current session of DivorceCare to attend. This event is also open to anyone who finds the holidays difficult or is struggling with being single during this time of year.

Feel free to invite a friend or family member who could benefit from this time of encouragement. Let's walk through this holiday season together — with hope, support, and community.
