

Language Programme

Language Programme, with its online and offline offerings, aims to contribute to the language learning skills of ESTIEMers; it implements language based activities to other events and creates a language lead culturally diverse environment.

Language Programme holds the key to one of the most important aspects of a culturally diverse environment, which is stated directly in its name: **Language**.

We try to connect ESTIEMers in languages other than English, and share our knowledge of languages with each other to grow together as a whole network. The more language one knows, one more conflict is solved caused by the misunderstandings and language gaps between the cultures. Learning a language is more than “just a language”, it’s also learning a whole other culture.

Language Nights Coordinator

Language Nights are a type of short online event that focuses on different languages and involves language sessions with different activities to support the learning process like **Speed Learning Sessions**. This position requires a lot of devotion, time and communication skills.

Tasks of Language Nights Coordinator will include the following:

- Be responsible for the planning and organization of Language Nights
- Reaching out to Local Groups for organizing Language Nights and work closely with them
- Be responsible for the quality of sessions
- Working on the development of Language Nights

Requirements:

- High creativity and motivation
- Willingness of devoting a lot of time and energy to LP
- Interested in Languages and Language Learning
- Attend weekly team chats
- Good communication and organization skills

What will you take from this position?

- Having the experience of organizing international online events
- Learning the usage of online tools
- Time and project management
- Having the opportunity of contributing to a Europe wide community

Mandate:

The mandate of the Language Nights Coordinator will start at the beginning of **September 2025**, and will end at the end of **July 2026**, but this is not strict.
