

## KEY PROVISIONS ON THE PROCEDURE FOR CONDUCTING THE EAGI RECTOR'S GRANT COMPETITION

1. The competition shall be conducted online using the Google Forms platform or a similar service, without publicly announcing the results.
2. The test questions and results shall be treated as confidential information accessible only to the "Customer" and the "Contractor".
3. Based on the test results, the winner of the competition shall be awarded the EAGI Rector's Grant.
4. The participants who take second and third place shall be awarded tuition fee discounts of 50% and 25%, respectively.
5. The EAGI Rector's Grant and tuition fee discounts shall be provided for a period of six months.
6. To extend the validity period of the grant or tuition fee discount, the student's grades for the first semester and subsequent semesters, based on the results of examination sessions, must be only "Good" and "Excellent".
7. If two or more participants obtain the same score, they shall be asked oral questions based on the curriculum of the core subjects at the time of the award ceremony in order to resolve the tie.
8. The grant and tuition fee discounts may be awarded only if the applicant is personally present at the award ceremony for the competition winners.
9. The development of the competition questions may be carried out in consultation with EAGI teaching staff.
10. A registration form containing information about the Institute shall be published repeatedly across our network of communities dedicated to UNT preparation, whose subscribers include applicants from all regions of Kazakhstan.
11. EAGI representatives may monitor the transparency and fairness of the competition process.
12. To conduct the competition, access must be provided to publish the registration link on the EAGI website or on EAGI's official social media profiles.
13. Registration for participation in the competition must be opened within three days after the contract is signed.
14. The first stage of the competition may be held on August 21, 2026, starting at 10:00. The second stage of the competition and the announcement of the results shall be conducted via Zoom conference on August 24, 2026, at 12:00 Astana time.
15. All applicants who have achieved the current-year UNT threshold score required for the selected educational programme for the 2026–2027 academic year may participate in the competition. The combination of profile subjects indicated in the UNT certificate must correspond to the selected educational programme. Applicants who have received other grants by the date of the second round are not eligible to participate.
16. The awarded grant may be used for admission to any available bachelor's degree educational programme at the Institute, provided that the profile subjects correspond to the selected educational programme.
17. Graduates whose scores in the profile subjects are equal to or higher than the threshold score established by the National Testing Center shall be admitted to the competition.
