	The person supporting me in practice…….	**1**	**2**	**3**	**4**
1	was enthusiastic about facilitating my learning				
2	established ground rules of what was expected of me during the placement e.g. professional behaviour, knowledge.				
3	(or another staff member) provided an informative induction at the beginning of the placement.				
4	provided opportunities for me to be involved in the multi-professional team, where appropriate.				
5	took into account my stage of training and past experience in relation to facilitating my learning.				
6	provided an appropriate level of supervision throughout the placement, appropriate for my stage of development.				
7	facilitated a good working relationship/ partnership				
8	helped me to understand the relationship between theory and practice.				
9	encouraged me to take responsibility for developing my own learning				
10	was approachable and open to feedback and being asked challenging questions.				
11	provided me with insight into their clinical reasoning and problem solving processes.				
12	challenged my level of proficiency/competence appropriately and gave me feedback throughout my placement				
13	was aware of the level of performance expected at this stage of my programme.				
14	Used a variety of methods to assess my proficiency/ competence: e.g. observation, listening, feedback from others, questioning, reflection and discussion of my self-assessment.				
15	Made appropriate time to discuss my progress throughout my placement e.g. mid-way and end of placement assessment discussions or weekly meetings.				
16	Acted as a good role model for high quality, evidence based practice				

It is recommended that you support your responses with constructive verbal feedback
