Frequently Asked Questions

☐ How do I mark readiness tasks? [Video](#)

☐ I can't find the Long Range Plans inside Mathology. [Video](#)

☐ Do I need to follow the exact order?

A: No. Professional judgment is very important. As long as the curriculum expectations that are outlined in each block are taught, the students will be ready for the check-ins at the end of each block.

☐ Help! Who do I contact for help/support?

A: Please contact Neil Casey or Hana Jamieson with any questions around the Scope and Sequence
