

# Period 1 Group 1 MLA citations list

*Each group member needs to type add the sources/citations that you brought to the project. They do not have to be presented by YOU in the presentation. I will check the revision history to see who actually contributed what. Do NOT have someone type for you. But you can suggest edits on someone else's work if it is not correct MLA format.*

Group member names: **Marq Quiambao, Erica Solberg, Alexandra Beccari, Jeffrey Taylor**

Host (Erica):

1. Frank, Grace. "Great Barrier Reef 'not Dying', Australia Insists." *Phys.org*. PHYS, 2 Dec. 2016. Web. 18 Jan. 2017.
