aaAAH-

I- I wasn't doing anything-

I mean, uh... I... lost my PS5 controller? So I thought maybe it ended up in your room somehow? A-And I thought you were still out with your friends- so I just-

I-I wasn't doing anything weird! I promise! I just-

You... have a nice... room... and... Umm....

I...

I know where my PS5 controller is ><; I just...

I kind of just wanted to... umm... s-stand in your room for a little bit...

I'm sorry ><; I didn't touch anything! I just wanted to... exist in your room for a little bit.

Ummm... Y-you promise you're not mad at me?

No! Nobody's bullying me or anything. I'm okay, I just... Um...

I-I don't really know how to explain... I-I feel like I'm doing something bad just by thinking about this, but... Umm...

I... Uhhh... I just... r-really like how you, like... get dressed up and stuff... I think all your clothes are really pretty, and I think *you're* really pretty, so I just... Um...

(Voice gets smol)

I just thought that maybe if I stood in your room for a little bit...

(Even more smol)

...th-that I might feel a little bit pretty too...

U-umm... I just... I don't know. It *wouldn't* have been weird, right? If I could've been your little sister instead of your little brother...? It would have been *normal* for me to... umm... to want be like you... To look up to you like that and want to be p-pretty like you...

Umm... s-so yeah, I just... I don't know. I just wanted to... p-pretend that it was normal for me to want to be like you for a little bit, I think. O-or. ss-s-something like that...

Uhhh... I should probably... I'll go back to my room now... I-I'm sorry for bothering you ><; I promise I won't do it again, I-

Door shutting

H-huh?

Waitwaitwaitwait- hHaaaahhhh....

I-I don't know what's... h-happening...

M-mmhmm... i-it feels good... y-your hands on my face feel good, I just don't know why- I thought I did something bad by coming into your room-

Wh-wha- I-

U-umm... n-nobody really... c-calls me that... n-nobody's really called me.... c...cute... >//<;; oh gosh I- I- I can feel my face getting hot in your hands I-

Ummm.... I-if you're not mad at me, then... wh-why did you shut us in here....?

Y-you will? You'll show me how I can... b-be more like you? You can make me pretty like you...?

Are you sure? I don't want to bother you or anything, I just... I... r-really like you a lot and I think you're a really good big sister and I just-

W-wait, take them off *here*? B-but you're... I-looking right at me...

No, I *do* want to... t-to be like you... I just... Ummm... e-embarrassing... ><;;

Mmm >.<; y-yeah, I... I trust you... I trust you to... know what the best way to... Umm... I trust you to know what's best for me...

(clothes rustling)

Okay, is that good?

E-*everything?* Like... like, even my... Umm... Wh-what does this have to do with making me pretty like you?

W-wait, th- these are... Umm... th-these are *yours*.... I-is that okay? Wh-what if I, umm, what if I mess them up, or, I mean, they're, they're so nice, I wouldn't want to ruin them or-

Mmm.... y-yeah... they... they look really pretty... I've never, um... I've never seen your panties before, but... they're so nice... and they look soft... it's really okay for me to put them on?

(clothes rustling)

I-is this okay...?

I feel... i-i don't know, I feel... s-something... I feel so... e-exposed, with my thighs out like this... and they barely cover me up, and I'm... Umm...

Y-yeah, what do you need my arms up f-

Oh! Ahhh... Ahhn... Mmm... Umm... Yeah, I- I think it fits. Is it supposed to be snug around my chest like that?

I-is it okay that you're dressing me up in your underwear like this?

I *do* like it, I'm just worried about if I'm ruining your nice clothes or messing up your nice room or... I-I don't know. I really wanted to get to be more like you, and I really wanted to get to be pretty, but suddenly I feel a little in over my head and like I don't belong here or like I'm not worthy or like I- mmMM-

(Melt into the kiss, muffled delivery throughout)

Mmm... mmmm... Okay I... I suddenly... Mmph... I feel pretty... Y-you're kissing me so pretty... Your hands... holding my face like that, I... Mmm... your... I-lips feel so soft... Y-you're making *me* feel soft... You're making me feel... something... I-like I really *am* more like your little sister than like your little brother, I... mmMM- Mmmm.... Mmmhmm... it... it feels good... I want... more... making me feel so good to be kissed in your panties and bra... making me feel like... a good... pretty... g... guh...

MmmmmN><; (whine) wait wait nooo it felt so good, I'm sorry did I do something wrong-

Wh- what do you mean you can make me even *prettier*?

Mmhmm ><; I'll do anything you say... C-can I really be... like... y-your honorary little sister for the day?

I can put on a *skirt*????

Yes, please... I... I really want to... I didn't even realize it was something I wanted... I-it's like you know exactly what to do to make me feel the way I want to...

I can just step into it like this? Oh-!

(Clothes rustling)

Th-thank you for pulling it up around my waist for me- It felt so nice having it pulled up past my thighs... It feels nice to be dressed up... I feel like I'm a dress-up doll for you right now and I really like it...

(Clothes hangers shifting in closet)

Wait! Wait that's- that's too many choices, I- Ummm... I... I don't know ><;;; Ummm... I... I've never... I haven't really ever gotten a chance to think about what I want to, umm... Can you maybe, can you maybe pick some out for me?

(Clothes hangers noises)

Ohhhhhh... they're both so nice... Umm, can you put this one on me?

Arms up like this?

Oh my god it feels so soft and smooth... And I like thinking about how.... This is how you feel when you put this on... I like thinking about you wearing this and how pretty you look in it...

Can... can you kiss me some more...? Something about the way you kiss me... makes me feel more and more like I'm really your little sister...

Mmmhg... Thank you... Thank you... Thank you for kissing me... Thank you for dressing me up and making me feel pretty... Thank you for being the best big sister in the world... I... I feel so amazing right now, I feel like I'm floating right into your lips with the way you're holding me and pulling me in... This is... it's even better than I thought I could feel... I couldn't even imagine feeling this nice and taken care of...

Yes ><; Please, if there's anything else I can do... I... I would do *anything* to be like you... I would do *anything* to be pretty... I'll do it, anything you tell me...

Yeah ><; I want you to turn me into a perfect little sister for you... Mmhmm, I can turn around...

(Strap-on equipping noises)

Mmm. Yeah. I trust you. I trust you to be the best big sister and I trust you to make me the best little sister I can be for you... I'm grateful for everything you're doing for me and I'm grateful that you're being so kind to me... Mmm... I can turn around now?

Ohhhhhhhmygoddddd

Nono it's not... scary or anything, I... I mean, I've never *seen* a strap-on in real life before, but... it feels... it feels right. Like if I'm going to be a... a good little sister, then it means I have to learn how to be a good girl, right? And if I'm going to be a good girl, it means I... I have to learn... how to... to get down on my knees, and... And...

Can I put my mouth on it...?

I... I almost feel like I don't even need to be told what to do, I just... I somehow just know... exactly... aaahnmph...
