

## *Toddler Playtime Notes*

*@ Montclair Community Play Center*

Welcome to MCPC's Toddler Playtime Program!

We hope you and your child have a wonderful time playing, exploring, investigating, and being together at MCPC.

MCPC is a parent cooperative preschool, with a strong value in parent education. Each week we will be assembling notes like this for you, usually accessible via QR code (like the one at the bottom of this page) – providing information, inspiration, ideas, resources, and encouragement as you help your amazing toddler move through the world.

For this first week of the session, we'd like to make sure you've seen the [Toddler Program Guidelines](#), which should have been emailed to all families. Please don't hesitate to check in with your teacher or the Toddler Coordinator if you have any questions, concerns or suggestions.

Additionally for some inspiration, below is "Reasons to Love the Toddler Years" from [Transforming Toddlerhood](#), which has some parenting tips and online classes targeted for parents of children 1-5.

And please remember that your Toddler Teacher is a great resource for questions!

Thanks.
