

Collaborate with AWS Community Pakistan and AWS User Groups?

Are you organizing an event and want us to collaborate in your event as a community partner to amplify your reach on social media?

You can reach out to us at collaborations@awscommunity.pk

AWS Community Pakistan/AWS User Groups will:

1. Market your company on our social media platforms for the specific event.
2. Promote the Promotional Material on our social media platforms for the specific event.

The Company will:

1. Provide the shields on the event day as a collaborator/Community Partner [AWS Community Pakistan and AWS User Groups]
2. Dedicated Post announcing community partner/collaborator on your company socials.
3. Dedicated standee presence of community partner/collaborator on the event day.
4. Inclusion of logo of aws community Pakistan and aws user group Lahore on branding materials.
5. A brief 5 mins speaking slot on the event day to express more about the community.
6. Priority access to AWS Community Builders

We are open to discussing more collaboration and negotiation.

Feel Free to reach out to us at collaborations@awscommunity.pk
