

Life Print Memorial Keepsakes®

Life Print Keepsakes are created by using a combination of traditional jewelry techniques, modern technology and your loved one's fingerprint. Offering a physical touch to a loved one's life, they are created from two-dimensional ink prints that are then replicated onto .925 sterling silver, 14k rose, yellow or white gold. All of the designs can be custom engraved on the back. These cast pieces are quality family heirlooms that can be passed down from generation to generation. Many families choose to have Life Prints made for the entire family and close friends. The various and unique custom combinations allow for a beautiful, personal, and lasting connection to the ones we love.
