3. Criteria and Candidates
4. Award Schedule and Deadlines
5. Documents to be submitted by Applicants
6. Prize
7. WiN Global Awards Committee
8. Terms and Conditions
9. Application Submission

1. Purpose

The purpose of the WiN Global Nuclear Future Award is to provide sponsorship for an individual who has demonstrated **outstanding commitment to WiN Global and its Chapters**. WiN Global would like to recognise and enable young nuclear professionals of high potential to participate in the WiN Global Annual Conference who would otherwise not be able to take part. The award has been designed specifically to support individuals who have no other funding to participate in the WiN Global Annual Conference.

2. Objectives

- Encourage young members to be engaged and active in WiN Global and its Chapters.
- Recognise outstanding initiatives and contributions by young members to WiN Global and its Chapters.

- Recognise extraordinary dedication by young members to WiN Global and/or WiN Global Chapters in support of WiN Global's mission, vision and objectives.
- Promote the development of leadership and project management skills of young members.
- Facilitate succession planning within WiN Global and its Chapters.

3. Criteria and Candidates

- Any individual below 40 years of age, with at least 3 years professional experience in the nuclear field.
- Current member of WiN Global and one of its Chapters.
- During the past 1-2 years: Have contributed by successfully implementing a special initiative or project **for WiN Global or one of its Chapters**. To be able to demonstrate that the initiative directly relates to WiN Global's mission, vision and objectives.

4. Award Schedule and Deadlines

The following schedule aligns with the confirmed date of the WiN Global Annual Conference (which is subject to variation depending on the hosting country) and the conference date will be advertised on the WiN Global website <https://win-global.org/>

- **7 months prior:** An announcement will be made that the WiN Global Nuclear Future Award is open for nominations.

Details of the award (this document and the application form) will be made available via Country Chapters and the WiN Global website.

- **5 months prior:** Deadline for nominations to be submitted to the WiN Global Awards Committee Chair. The deadline is 23:59 (Central European Time - CET) on the closing date.
- **3 months prior:** The WiN Global Awards Committee Chair will notify the successful nominee that they are the recipient of the award, allowing time to prepare for participation in the conference (including developing their content for a speaker opportunity at the Annual Conference).

5. Documents to be submitted by Applicants

- **Nuclear Future Award Application Form** (PRO0009 Application Form WiN Global Nuclear Future Award)

6. Prize

- The successful candidate will be offered free registration to the WiN Global Annual Conference in addition to funding for attendance up to a maximum of EUR 2,000 (to cover airfare, accommodation and food).
- The successful recipient will also be offered the opportunity to speak at the Annual Conference and an agenda slot will be made available.
- The WiN Global Nuclear Future Award will be presented at the WiN Global conferences together with the other WiN Global awards.
- Winners must take care of all bookings, registrations, visas etc. by themselves.

7. WiN Global Awards Committee

WiN Global has a dedicated Awards Committee who are responsible for managing and co-ordinating applications for all WiN Global Awards, including this award. The committee comprises a Chair and a minimum of three WIN Global Executives or Board Members (or their nominees). The successful applicant for this award will be decided by Executive and Board member vote.

8. Terms and Conditions

- The award winner may not apply for future Nuclear Future Awards.
- Applicants not selected may re-apply for this award in the future.
- Nominees may self-nominate or be nominated by a third party. In the case of the latter, the nominator must seek permission from the nominee to ensure they are able to attend the WiN Global Annual Conference and agree to the nomination.
- Winners must be willing and able to attend the upcoming WiN Global conference and the award ceremony.
- Winners may be requested to be available for media and WiN Global outreach to share their experience about WiN Global and the award.

- By submitting their applications, candidates accept the Terms and Conditions of this WiN Global Award.

9. Application Submission

Please submit your application using the **Nuclear Future Award Application Form** to:

WiN Global Awards Committee Chair at:
awardscommitteechairwinglobal@gmail.com

and copy to
womeninnuclearglobal@gmail.com

A formal acknowledgement of receipt of application will be sent within 7 working days. If this acknowledgement is not received please contact the WiN Global Awards Committee Chair.
