

AA: #EducASIAN Project

For this year's AAPI Heritage Month, Asian Advocates' theme will be education of the Asian culture, history, and current news. This project is to help raise awareness and educate all about any topics relating to the Asian community and to emphasize the importance of Asian representation needed in our education systems. We have put together a calendar/list of read, listen, and watch actions to take each day. To participate and be shouted out on our final post on May 31st celebrating AAPI Heritage Month, you can submit your name, instagram handle, which actions you participated in, what you enjoyed and pictures/videos (optional) of you participating in this project through our email: asianadvocates@gmail.com, instagram: [@asian_advocates](https://www.instagram.com/asian_advocates) or complete this [form](#).
