

homework: week 1

This week read Phil 4:2-9. Think and/or journal about these questions.

- What does it seem like is happening in v. 2-3?
- How does Paul feel about these women and what does he hope for them? How does he hope their community responds?
- How can we apply what Paul instructed in Colossians 3 to what is going on here in v. 2-3?
- How might verses 4-9 guide what is going on in verses 2-3?
- Now, think about the conflicted relationships in your life. Here are some things to pray:
 - Ask God to help you hold these relationships up to the light of Paul's wisdom in these passages.
 - Ask God to open your eyes to see his way forward through the hard places of the relationship.
 - Ask him for courage to walk in the way he shows you.
