Dear Ithaca School Families,

Ithaca School participates in the United States Department of Agriculture (USDA) Child Nutrition Programs. This means that our meals must include certain food groups and meet nutritional standards.

Included in the impacts of the COVID-19 pandemic are nationwide supply chain and product availability shortages. Disruptions are due to a lack of availability of raw ingredients and labor to produce, unload, and transfer food products. Some food and/or beverage products normally provided to students may not be available or arrive as scheduled. Due to unforeseen circumstances, last-minute menu changes and product substitutions may occur. Be assured meals will remain balanced, healthy, and plentiful. We ask for patience and understanding as we do our best to meet the needs of your children.

Our [breakfast](#) and [lunch](#) menus are linked in this letter. Menus and nutritional information are always posted on our district [website](#).

Please contact me with any questions at 608-585-2311 or email me annette.louis@ithaca.k12.wi.us

Sincerely,

Annette Louis
