Note: Presenting author's name should be underlined

ABSTRACT

An abstract is mandatory. It is strongly recommended that the corresponding author to provide a short and concise abstract, **not exceeding 250 words**. The abstract should briefly mention the research objective/aims, main findings and conclusions. Avoid non-standard abbreviations - if any are important to be included, define them at the first mention in the abstract. Avoid references.

Keywords:

Keyword 1; Keyword 2; Keyword 3; Keyword 4; Keyword 5

Notes:

- Download the template.
- Fill in the authors and abstract information using the template.
- “Save as” your abstract as Word file (.doc or .docx) and name the file as "**Name_Institution**" (e.g. JackCannon_MNPS).
