DONUTZ SUPER COOL GUIDE FOR VOICE ACTING!!!

You want to be in YN3 in a nutshell well then YOU'RE IN LUCK! Go into this discord server and tell me who you want to be and say lines and ill see if you're good! You can do it in VC or do VM. whatever is easy for you!

I am expecting you to already know the lore. Its just some voicing tips :3

CHARACTER GUIDES:

Idk be normal i guess. Be a bit depressed cuz you die and stuff biruesjfdsf

Its either tori who will voice act him or another person with a big british accent.

It will be pretty jarring if they’re both voiced by tori (unless tori does a different voice for him)

THICK SCOTTISH ACCENT.

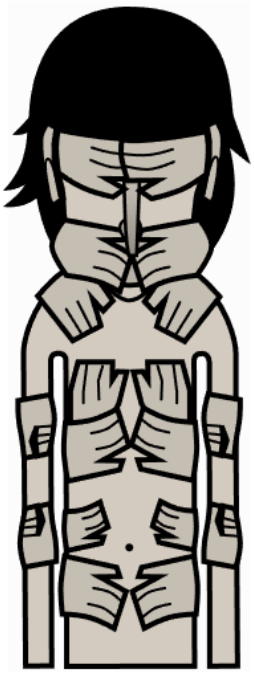

Either be whispery or just chill

Deep voice, i will add filters on to you like how i did to the demon on the first one

Deep voice. Ye

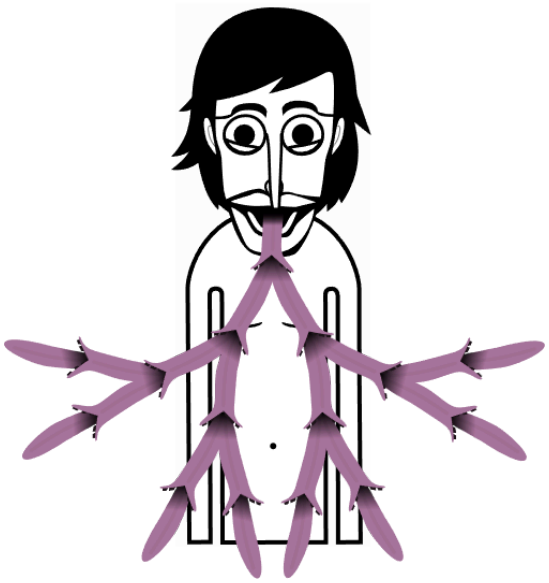

Okay hear me out

You sound like sniper tf2

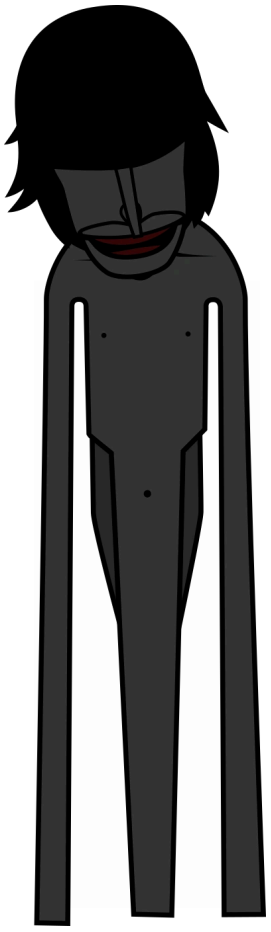

Idk be yourself

Idk go crazy or something

Be normal. Be human
Be cool

say in goofy voice
