

Summer Canyon

[V1]

[G]

In the canyon
In the mountains
In the summer
[C] [G]
Rain coming down

[G]

It's a trickle
It's a deluge
It's amazing
[C] [G]
Life all around

[G]

All the frogs are
Makin' babies
All the streams
[C] [G]
Are swollen with snow

[G]

Smell the xylem
Feel the phloem
All of life
[C] [G]
contained in that flow

[Pre Chorus1]

[D] [C]
The rain slows I get low
[G]
So I can practically hear
[Em]
The roots sinking

[D] [C]

I feel the squish of the soil
[G]
And the sweat on my lip
[Em]
And I'm thinking

[D] [C]

That the very same water
[G]
The very same water
[Em]
I've been drinking

[D]

Has been up in the clouds
[C]
Out through the leaves
[G]
To my bloodstream

[Em] [D] ->[C][G]

It's all linking together for me

[D] ->[C][G]

I see

[Chorus]

[D] ->[C][G]

Yeah, nature connects us

[D] ->[C][G]

Yeah, nature corrects us

[D] ->[C][G]

Yeah, nature directs us

[D] ->[C][G]

Yeah, nature respects us

[Em] [D]

I'll do the same in return just by sitting for a

[C]

Moment

[G]

Right here, right here

[Em]

I'm here

[D]

Rooted in the canyon

[C] [G]

Right here, right here, right here

[V2]

Little grasses

Poke their heads up

And satisfied with what they are seein'

Keep on-growin'

Don't need mowin'

Meadow yellow, now a meadow of green

All the trails are

Little rivers

Soggy boots on even soggy feet

All the leaves are

All waxy

All the berries, plump sugar sweet

[Pre Chorus 2]

The sun shining on the vine

And I can practically hear

The plants eating

They breathe out

I breathe in

Feel the blood in my skin

A heart beating

With the very same carbon

The very same carbon

I've been breathing

Out through my lungs

Into their leaves

To my veggies

A cycle repeating forever

Together

[Chorus]

[D] ->[C][G]

Yeah, nature connects us

[D] ->[C][G]

Yeah, nature corrects us

[D] ->[C][G]

Yeah, nature directs us

[D] ->[C][G]

Yeah, nature respects us [Em] [D]

I'll do the same in return just by sitting for a

[C]

Moment

[G]

Right here, right here

[Em]

I'm here

[D]

Rooted in the canyon

[C] [G]

Right here, right here, right here

[Em] [D]

Every moment, every day

[C] [G]

Another opportunity to live this way

[Em] [D]

Just skip, sing open your eyes

[C]

Smile at everybody

[G]

Wake up for the sunri-ise

[Em]

'Cause you're right there

[D]

And you're right where

[C] [G]

You're right there, right where you are

You are, you are
