I am a slow artist and will take some time for me to get it done.

- However, should the customer make it a priority, I will do what I can to get it done soon.

I do not take requests and/or trades from random. Only friends.

Will only take on 3 or 5 customers.

I only get paid only when the drawing is complete.

Will also show updates of the drawing and see what the customer wants me to add, remove, and/or edit.

I only get paid via PayPal and will tell you my PayPal mail once the art is complete (try and pay me for exposure if you can't pay me with actual money and the negotiation is over).

There will be no free art from me.

This is only an SFW form.

No pedophilia, rape, or anything bad will be acceptable.

- . Same goes for anything political.
