

# Evergreen Fitness Team

## Summer 2025

### Dates

June 9 - July 17, 2025

### Classes - 1st day is June 9th

Monday - Thursday (Times below)

### Location

Evergreen Junior High School Gymnasium

### Grade Level Session Times (The grades below represent 24-25 **current school year**)

Grades 6-7-8 from 9:00 - 11:00 am

Grades 4-5 from 11:00 - 1:00 pm

Grades 2-3 from 1:00 - 3:00 pm

For the safety of all, participants should show up no more than five minutes before their session begins and enter through the south doors (by the gymnasium). Students should not be on campus before or after their session. These are safety precautions to allow Evergreen School District to house and operate this amazing opportunity.

The program is limiting the number of students allowed at one time in the gym in order to help ensure the safety of all participants. Each session will have a maximum of 35 students. Please sign up your child using the link below to reserve your spot. There may be a possibility of a waiting list, depending on how many students would like to participate. If we have students waiting due to a high number of participants, and a student misses a session three consecutive days without notifying the instructors, the student may be dropped from participation, and the next student on the waiting list may be added.

The Evergreen Fitness Summer Program is designed to be engaging and fun for students. Positive behavior is expected and recognized in students. Students have learning/practice opportunities for positive interactions with teachers and their peers. Students who struggle with positive behaviors or are unresponsive to expectations and support to address concerns may require fitness opportunities other than the Fitness Team program.

If you have multiple family members participating, you must register each student individually.
