

Instructions for students:

1. Go to the Games Portal for Kids here
<https://www.growingmath.org/games-portal-for-kids/>
2. Scroll down and select Making Camp Navajo
3. Go to the page that gives choices of numbers, life or random. Pick LIFE. (If this is your first time playing the game, you will have to play through the introduction to get to this

page.)

4. Select the middle picture, the one with the woman weaving, to learn more about Navajo weaving and make your own rugs.
