### Involuntary Student Transfers

While the Governing Board desires to enroll students in the district school of their choice, it recognizes that circumstances sometimes necessitate the involuntary transfer of a student to another school or program in the district.

The Superintendent or designee shall develop procedures to facilitate the involuntary transfer of such students

As applicable and as permitted by law, the Superintendent or designee shall review all educational options for which the student is eligible, the student's academic progress and needs, the enrollment capacity at the schools or programs to which the student could be involuntarily transferred, and the availability of support services and other resources.

The Superintendent or designee shall ensure that involuntary transfers are made in a non-discriminatory manner as specified in Board Policy 0410 - Nondiscrimination In District Programs And Activities.

### Involuntary Transfer of a Student Convicted of Violent Felony or Misdemeanor Related to Possession of Firearms

A student may be transferred to another district school if the student is convicted of a violent felony, as defined in Penal Code 667.5(c), or a misdemeanor listed in Penal Code 29805 and is enrolled at the same school as the victim of the crime for which the student was convicted. However, before recommending such a transfer, the Superintendent, the principal, or other designee shall notify the student and the student's parent(s)/guardian(s) of the right to request a meeting with the principal or designee and shall attempt to resolve the conflict using restorative justice, counseling, or other such services. Participation of the victim in any conflict resolution program shall be voluntary, and the victim shall not be subjected to any disciplinary action for refusing to participate. (Education Code 48929)

If the attempt to resolve the conflict using restorative justice, counseling, or other such services is not successful or the victim elects not to participate, the principal or designee may submit to the Superintendent or designee a recommendation that the student should be involuntarily transferred. If the Superintendent or designee agrees with the recommendation, the Superintendent shall submit such recommendation to the Board for approval. The Superintendent's recommendation to the Board shall include the date by which the Superintendent or designee will review the involuntary transfer to determine whether to recommend to the Board that the student be permitted to transfer back to the student's original school.

The Board shall, in accordance with Board Bylaw 9321 - Closed Session, deliberate and vote on the recommendation, as well as any subsequent recommendation to permit the student to transfer back to the student's original school, in closed session to maintain the confidentiality of student information, unless a parent/guardian or adult student submits a written request that the matter be addressed in open session and doing so would not violate the privacy rights of any other student. The Board's decisions in these instances shall be final.
