8. 20 randomly selected TOKEn holders will receive a custom-made and signed physical collectible.

9. We'll start work on completing Season 1 which will include approximately 5 more episodes. TOKEn

10. Stoner Cats will develop merch. TOKEn Holders decide what merch gets made (within reason).

11. Co-Creation: Voting. Token holders participate in the content creation process, including voting on story elements for emerging episodes. This is not design/writing by committee; this is the

Can only be purchased (and won) by TOKEn holders. Think product placement but for the everyman. Want to name a street Boaty McBoatface? This is for you. Want the cats to drink your tequila? Hell yeah lets do it. (Almost) whatever you want, we reserve the right to not let you fuck up our beloved

The creative geniuses behind Stoner Cats are Chris Cartagena, Sarah Cole, and Ash Brannon. Together they have amassed years of experience working on movies such as Toy Story 2, Happy Feet, Surf's Up, The Grinch, Spider-Man: Into the Spider-Verse, and Space Jam: A New Legacy. The show is being developed by Orchard Farm Productions, Mila Kunis's production company with her partners Cami Curtis and Lisa Sterbakov. The technology and community of Stoner Cats is being led by Big Head Club. Big Head Club was

founded by Mack Flavelle who previously co-founded Dapper Labs, where he was the Chief Creative Officer behind CryptoKitties and NBA Top Shots, and Jon Howard who has been smashing art and

The project and team came together via the 3050 Gang. The 3050 Gang is one of the first all-female crypto teams pioneering in the space. The team includes Mila Kunis, Maaria Bajwa, Lisa Sterbakov, and Morgan Beller. Combined their initials are MMML which translates to 3050 in roman numerals.

Big Head and Orchard Farms commit to co-developing a DAO with TOKEn Holders that exists to

develop at least one new animation project a year for the next three years.

engineering together in novel and fun ways for over a decade.

*** Join the Council of Cats

Meebits Kai Turner and Carly talk about the Stoner Cats project and NFT.

8th Aug: 1 Commeownity call every week and POAP distribution was stopped so the team could focus

here: https://forms.gle/DMMmEUqArM9qhVAk9 " 31st Aug: Our first vote will be on which charity will receive the donation described in the drop (1% of proceeds from the initial drop & a portion of proceeds from market sales). There will be a Diamond Hands NFT. Details to follow. Posters are nearly ready. We will take a snapshot at midnight tonight and wallets that have SCNFT will get a poster oft. The community will get the opportunity and get to pick some people to get some direction from Lisa on their pitch. A collaboration with Vee Friends is still likely but not confirmed.

7th Sept: SC DAO Call:Stoner Cat holders get priority on Big Heads next (unrelated to sc) drop.

8th Sept: SC DAO Call: SC will form a DAO alliance with Finance. Vote and there will be a call with

As any organisation including a DAO requires point people, so the possibility of a Council of Cats was raised. This would consist of members that undertake the responsibility of performing the actions

15th Sept: SC DAO Call with Mack, DrNick, Naomi from FVT introduce tools and talk about the next

There will be a Community Call and a DAO Call each week and there will be Creators Call every 2 weeks and Friday is a public Twitter Spaces. The DAO Working Group is forming. Creators call next week. The creative trio we know have engaged a studio to complete the rest of season 1 and next

Big Head is going to do big things and Stoner Cats are important to them. I'm going to do more Twitter Spaces because people need to know what's happening in here. Maybe we should merge the owners chat and the main chat because owners chat is my favourite discord because of all the and we want the whole world to know that the Stoner Cat Community is that kind of place, Put it to a vote. Let the DAO vote, email me to remind me. Secrets. Redacted. Private. Members Oni: Reveal: Big Head Club will be dropping a new nft called Oni Ronin. Stoner Cat members are offered the chance to mint a Oni Ronin nft before the drop. The details are on onironin.io . This nft is not part of the SC dao and does not include access to the SC show. This nft includes membership of the Big Head

23rd Sept: DAO Call with Mack and Dr. Nick: Phantom talked about adding to the community, culture and experience of Stoner Cats. Maybe by cultivating a x-3301 strain of marijuana and releasing it with Stoner Cats and just generally all round good stuff. (7 upvotes to 0 down with 3 fire liked these

Mack wants (paraphrased) " to give all decisions to the (soon to be formed) leadership council asap. Picking a good name for the dao is maybe a high priority. Beware of people reaching out to do

airdrops as their projects might not be very good or real. Find a balance or quality standard to screen

It was agreed to extend applications for the dao working group by 24hrs. Deadline ???????? (7

It was agreed to have a dao working group Friday 24th Sept at 10am PDT = 5pm UTC.

quorum, having multiple proposals in one day to promote participation, keeping power

24th Sept: dao call with Naomi and Dr. Nick: Dr. Nick gave some context for the voting tools facilitating governance and the experimental space the alliance is in. There was discussion about different approaches to Sybil resistance and governance in general. Naomi did an example vote on

It was agreed to have Discord thread where everyone can suggest one name - then curate via top voted reactions 👍 👎 - then put top 10 to a DAO vote with negative voting. (9 upvotes 0 down)

There was a discussion on governance and points were raised about finance votes tools, reaching a

28th Aug: Fill out this survey with some details if you wish & Give Mack your mothers address if you wish to maybe get a surprise for her. "We have a weird totally optional Survey only for Cat Owners. If you own a Stoner Cat you are in the Big Head Club and we want to make that feel special. Any info you choose to give us in the survey will make that easier, but none of it is required. Survey link is

the Stoner Cats section of the influence.vote site. She showed the interface for making and presenting proposals for vote and talked about the context you can put in a vote which might influence the voter. From language to even colour the proposal itself and the options presented can influence the voter in a certain direction. They showed us the voting record. 28th Sept: Commeownity Call with Mack . This Friday at 1030am PDT Maaria and Morgan will host a call on how to go after funding for something, they will not be funding your idea. Wednesday Snacks and Jess will host the second SC Podcast on Twitter Spaces at 5pm EST. The THC Club snapshot is taken on the 27th of the month. Details of requirements and restrictions for the dream sequence (now in ep 4) will be coming soon. There are 2 Voice Actor Parts to be played by SC owners. Details follow soon. Recording

The DAO need collaborative tools. Have your say on what they should be and what you require of

The Council of Cats is recruiting new members! Applications are open to all owners but they're

A council was formed after applicants reviewed each other's applications and voted on each applicant. There was a discord channel created 'council-of-cats' for the council to meet each other

and discuss how to facilitate members making proposals and voting. The first matter under discussion is a sc-owners sc-main proposal which will be an introduction for all in how to use

influence.vote. There is also discussion about how to facilitate proposals and voting for Naming the

The community feedback on merging 2 channels expanded into reorganising the discord and read only access, etc. So for now the discussion continues and the vote will be tabled for now. The council is focused on addressing a lack of diversity on the council and getting applications and a procedure

There was a collection of suggestions for names for the DAO and there was a vote in discord. There

will now be a vote on Finance. Vote using quadratic voting to select a winner.

This can be seen on the influence.vote dApp or at https://app.influence.vote/#/

The council is researching the legal position of the dao.

A final vote to choose a name for the DAO

https://docs.google.com/document/d/1JGR7Nr4WzbhrHogeklR64wgyrm-kUNAMVor48QdENVk/edit

especially looking to recruit from under represented groups for more diversity of thought in the DAO. If that sounds like you and you wish to get involved apply here https://forms.gle/E9oHJhyjJZxsPe8A9

them here. if you want to join the working group for this task please contact the council.

Have a vote on sc-main and sc-owner chat "Stoner Cats DAO": pick official name (Jon said why Big Head or SC related, why lean on that wall) Do a Brief for the dreamscape we want for artist recruitment & Proposal for vote for which artist to choose or Proposal for which dream sequence Request to add an Item to the agenda: Notifications for DAO meetings and calls; (idea1: email and confirm attendance in sc calendar idea2: ping is discord idea3:)

Are there any recommendations or tools/storage you already integrate with / see as being in your ecosystem? (factor: cost reason: I have docs that were flagged as inappropriate author:AlPlanet)

For the sake of transparency and communication, it would be advisable to create the group in the

right list. This way we can touch them more easily, if we have a question. (Duck)

DAO votes weights **DAO Scope - Brainstorming collaboration document** *** Voting How to vote & Quadratic Voting Explained **How to Vote on Finance Vote tools for Stoner Cats: Instructions:** Voting location: https://app.influence.vote/#/stonercats If any problems try: https://www.influence.vote/

After you visit the influence.vote webpage your wallet might connect automatically. If not,

So 1 vote uses 1 \$I, 2 votes use 4 \$I, 3 votes use 9 \$I, 4 votes uses 16 \$I, 5 votes uses 25

You could vote 8 votes for one option and 6 votes for another. (= 64 + 36 = 100 \$I)

The most votes you can cast for a single option is 10 votes (= 100 \$1).

click connect in the top right. Each Stoner Cat nft gets 100 Influence Power (\$I). Your total influence power is 100*number You should try to use most of your influence power \$1. (When you go to vote the next time you will start again with 100 \$1 per nft) Quadratic Voting means every influence vote you cast uses that number squared of influence power.

You can watch how your voting impacts your total influence power \$1 in the bar at the top. You can watch the proportion of your vote in the pie chart on the left. When you are happy with the distribution of your votes you can submit them. You can reinforce your vote with an opinion. There will be votes where these opinions will be used to increase the usefulness of the vote.

Finish submitting your vote by clicking 'sign' in your wallet. Video on SC voting on influence.vote: https://drive.google.com/file/d/16FH2wIVJIJOzM0EA_4ioYpbfx4UdywOw/view?usp=sharing

Our Titanium Hands Club is launching next week. Hold a cat for a month, get a POAP. Every month you hold is another milestone with another POAP. Every month near the end of the month the Titanium Hands Club will hand out the POAPS for that month. Wait for an announcement on how to

31st Aug: Mack on call: We will take a snapshot at midnight and wallets that have SCNFT will get a

1st Sept: "We took a snapshot of wallets holding cats last night. But it's going to take about 2 days to get the NFT posters out. And yes, I did say posters, because there's three, and you randomly get one

EXTRAORDINARY amounts of gas. Like easily six figures. There are better ways for us to create value for SC community than lighting that much money on fire. So instead we're going to do a claim mechanic. Every cat gets one poster, we'll have a site you can claim them on, and do it on your time

Stoner Cats plan to collaborate with Vee Friends and input from members on how they would like to

17th Aug: Call on how to collaborate and best engage Vee friends. Brainstorming session with many

31st Aug: "We want to be fully transparent with our community. Instead of rushing to release something or to preemptively announce an unachievable release date, we would rather err on the side of caution and say that we are going to take more time to release a higher quality and more exciting episode. We will be sure to loop you in the MINUTE we have an answer to this question. We

are also planning to release in-between content, so the space will still have new material. The

Stoner Cats will develop merch. TOKEn Holders decide what merch gets made (within reason). We

26th Aug: Mack announced a possible collaboration with a member on merchandise where all profits

20 randomly selected TOKEn holders will receive a custom-made and signed physical collectible. We

27th July: During mint some who tried to join Stoner Cats had failed transactions. Stoner Cats

announced they were looking into the failed transactions and provided a Discord channel to receive

31st July: Stoner Cats announced "the team is going to personally gift ETH lost to "out of gas" errors."

10th Aug: Stoner Cats announced the distribution of ETH to be gifted would commence the following

11th Aug: Stoner Cats gifted 334.0085134 ETH (calculated from over 1100 transactions) to people.

29th July: At 1:55 pm Stoner Cats announced "WE HAVE OUR FIRST PILOT EPISODE DROPPING IN 5

30th July: Stoner Cats announced a POAP NFT. "This is a souvenir for the pilot episode, hand drawn by Ash, the animator behind the show. Available for the first 2,000 unique holders of the NFTs (including

POAP provides people with a way to verify their attendance through collecting digital badges, all of which live onchain. Each badge is unique, meaning that the only way to claim one is to physically (or

31st Aug: You will be given access to character-specific discord channels, to talk all things related to your character(s) - or to talk whatever you feel makes the most sense in those rooms! They are private to character owners - maybe you can plan a prank on other character owners... Anyone owning 2+ characters will have access to those 2+ associated rooms. If you own a Fefe and a Baxter,

1% of proceeds from the initial drop & a portion of proceeds from market sales to Alzheimer's and

you'll be in those two rooms. We'll (obvs) be looking for fun ways to make having these roles

Influence.vote is a tool to build consensus through voting, providing reasons for your choice and discussing the results. Influence uses a voting method called Quadratic Voting. This is because "This system enforces prioritisation and ensures that users cannot vote strongly on every item, an issue that decreases validity in conventional voting and surveying systems. This scheme is used repeatedly throughout the finance.vote

ecosystem and helps build weighted consensus across the whole network."
