

Chaffee County Public Health

448 East 1st Street · Suite 137 · Salida, CO · Phone 719-539-4510 · Fax 719-539-7197

The following vaccinations are currently available in Chaffee County:

- Moderna - Age 18+, two doses 28 days apart, booster recommended for all 18+ six months after second shot
- Pfizer - Age 5+, two doses 21 days apart, booster recommended for all 16+ five months after second shot (not all vaccine providers have Pfizer for ages 5-11)
- Johnson & Johnson - Age 18+, one dose, booster recommended for all 18+ two months after second shot

The COVID-19 vaccine is FREE to all people. A provider may collect insurance information to seek reimbursement from the insurance company, but the patient will NOT pay any money.
