#### **PUBLIC INTERACTIVITY - CRANKY AND SONS BIKE REPAIR (merged with Pedaling Dreams)**

We welcome anyone with a bike problem, large or small. While we're happy to get our hands dirty fixing it ourselves, a key part of our mission is to get fellow burners involved in repairing their own bikes. We provide the resources – knowledge, tools and spare parts – and coach them through the repair process. A DIY area, with tools, spares and instructional materials, enables self-reliance during off-hours, and serves as a hub for informal burner-to-burner assistance.

Lead	Support Team

#### **PUBLIC INTERACTIVITY - JUST SHOOT ME IN THE DUST**

A portrait studio where burners come and get amazing playa portraits shot by professional photographers. The goal is to capture each subject as they are — their authentic dress, look, personality — so that everyone comes away with a vivid celebratory memory.

Lead	Support Team
Jim Ehrhart <a href="mailto:james.ehrhart@gmail.com">james.ehrhart@gmail.com</a>	

#### **PUBLIC INTERACTIVITY - KEEPIN' IT WHEEL**

Our Onewheel boot camp helps intrepid burners get a first fun experience on a Onewheel, teaching them how to ride safely. This year we will expand the fleet of Onewheels and will add electric unicycles to the training program. Our park includes a technical parkour, open anytime to more daring and skilled Onewheel and bike riders. We are again organizing a Playa-wide Onewheel/unicycle group ride to Deep Playa, and are organizing the first ever Playa Onewheel Rumble/jousting competition. We hope to bring the first Onewheel repair workshop to the playa.
