The Way of Jesus:
Feeding a Nation
June 16, 2024

'There is a boy here who has five barley loaves and two fish. But what are they among so many people:'– John 6:9

The Feeding of the 5000 is recorded in all ___ gospels.

Concerning the Passover:
Remembering the _____ from Egypt
Anticipates the _____ coming

First thing Philip does in the Bible? _____ someone to Jesus.

Philip is mentioned ____ times and each time he _____ someone to Jesus.

Math problem presented: (5 + 2) / 5000 = < needed
*5000 is number of heads of households so there are MORE than 5000 present

Just because a challenge is _____ doesn't mean we shouldn't be _____.

The people in this passage only looked at what they had in their _____. They did not consider who _____ their backs.

Jesus is showing the people He is their _____ (John 6:11).

Miracles are not done by what we have in our _____, but rather in what we _____ over.

The ____ baskets collected = ____ tribes = Nation of Israel.

So our math problem is solved by this:

(5 + 2 + __) / 5000 = > enough

We too often follow Jesus because of what we can get _____ of Him, rather than because of what he can _____ of us.

How does John 6:16-20 parallel Genesis 1:1-2?

3 lessons from the parallel passage in Matthew 14:28-32

1. In following Jesus, you are going to _____ from time to time.
2. We all want Jesus in the boat, but He doesn't get in the boat, until you get ____ of the boat.
3. At some point Jesus is going to ask us, 'Why did you _____?'

Reflect on these questions this week:
- Can you think of a situation where you passed on something because you didn't feel like you had enough? How did you overcome that feeling?
- How does this miracle help your understanding of the relationship between the Old & New Testament?
- How many miracles have you missed being a part of because you didn't trust Jesus? How can you be bold in your faith so as to not miss any more?
