

# WELCOME!

Congratulations on taking this step to grow as a musician! I am excited to begin working together to empower you to become the musician you hope to be. Please review my studio policies below before our first lesson.

## POLICIES:

**Lesson time** - Lesson run time is fixed. This is for scheduling consistency with my other students. We will decide in advance the amount of time that your lesson will run. 45 minutes is the minimum. Increasing or decreasing your time must be done in advance.

**Location** - lessons will primarily be held at my studio in Gilbert. I can offer zoom/facetime lessons as well. I am happy to drive to you if my schedule allows, but this will cost \$20 more per lesson as this decreases the amount of students I can accept.

**Consistency** - Lessons will be offered only on a weekly basis. This is for maximum growth and for consistency of schedule.

**Payment** - payment must be made in advance or on the day of the lesson. Cash, Venmo, or Check are all acceptable forms of payment.

**Parental Supervision** - Children under the age of 18 must have a parent present for the duration of the lesson. No drop offs.

**Discontinuation** - You may choose to discontinue lessons at any time, the normal cancellation policy applies (I must be notified 2 days in advance of the lesson). If you are paying monthly and decide to discontinue before all four monthly lessons have been taught, the remaining lessons will not be refunded. Thomas may choose to discontinue at any time if needed - any paid for untaught lessons will be refunded.

## CANCELLATIONS:

- Lessons canceled by students may be rescheduled. There is no guarantee of a reschedule, however.
- Lessons must be canceled 2 days in advance or you will still be charged for the normal lesson cost. This will encourage accountability in practice and establish a commitment to learning the skills you wish to learn.
- Lessons canceled by Thomas will be made up or if no make up time is available you will not be charged for the lesson and we will simply wait until our next lesson. I will try to keep cancellations to a minimum, though I occasionally need to travel for gigs.
