

****Digitalizer VR App Privacy Policy****

Last Updated: 3/9/2024

Welcome to Digitalizer VR, a virtual reality application developed by Boectrum ("him," "he," or "his"). This Privacy Policy is designed to inform you about the collection, use, and disclosure of your personal information when you use my Digitalizer VR App (the "App"). Your privacy and data security are of utmost importance to me. By using the App, you consent to the practices described in this Privacy Policy.

****1. Information I Collect****

I do not collect ANY information from users.

****2. Information Usage****

I do not collect or use any personal information from users. The App's primary functions are performed fully offline.

****3. Children's Privacy****

The App is intended for users aged 13 and older. I do not knowingly collect personal information from children under 13 without verifiable parental consent. If you believe I have collected personal information from a child under 13 without such consent, please contact me immediately at the email address provided below, and I will take appropriate steps to delete the information.

****4. Data Security****

I employ industry-standard security measures to protect the information collected through the App, including encryption and access controls. However, please be aware that no data transmission over the internet or method of electronic storage is 100% secure, and I cannot guarantee absolute security.

****5. Changes to this Privacy Policy****

I may update this Privacy Policy from time to time to reflect changes in my practices or for other operational, legal, or regulatory reasons. I will notify you of any material changes by posting the updated Privacy Policy within the App. Your continued use of the App after such changes constitutes your acceptance of the updated Privacy Policy.

****6. Contact Me****

If you have any questions, concerns, or requests regarding this Privacy Policy or your personal

information, please contact me at:

Email: [theendergaming26@gmail.com]

****7. Your California Privacy Rights****

Under California Civil Code Section 1798.83 (known as the "Shine the Light" law), California residents have the right to request certain information regarding my disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please contact me at the email address provided above.

Thank you for using Digitalizer VR. I hope you enjoy exploring my virtual world. Your privacy is important to me, and I am committed to safeguarding your data.
