

For your fur baby, you can custom size any bracelet if I have enough extra links to do so.

To order, you will need to call me with needed measurements.

Payments will be made outside of this site via manual credit card or PayPal.

To measure, use a string and position it around where you want the healing links to lay on your fur baby. The best place is around the neck as legs and paws are more active and may cause damage and even loss of links. Be sure you can fit a finger or two in between your fur baby and the string. The

measurement of this full length is what you will want to order.

Further sizing may be needed upon delivery.

Whole-Body Healing using Life Force Energy

About 'NATURE'S HEALING LINKS'...

"WHAT ARE THEY?" you ask. They are **WHOLE-BODY HEALING** jewelry pieces for US and PETS. Pets can wear them as their collar or in addition to.

What are the missing 'links' that keep you from living your best life? Do you have frequent & intense headaches or migraines? Do you lack energy & feel whooped all day long? Do you have chronic backpain? Maybe you don't have the spunk or joy in your spirit you need to get you through your day? Are your blood-sugar levels unsteady and reach alarming numbers? Does your anxiety hinder your daily performance? Maybe your mental ability staggers. You can have your missing 'links' captured and re-aligned, providing your best potential health: mind and body. Can it be this easy? -- Yes, it can. My 95% happy customers say that it can.

Channel natural healing, enhanced mood & energy throughout your entire body.

"HOW DO THEY WORK?" you ask. They are jewelry pieces lined with mineral of the Earth. Each mineral has its very own specific healing energy that promotes specific cellular healing. Easy example... Our body gets Vitamin D from the SUN, but we don't eat it nor do we drink it. The SUN's specific energy provides our body's with Vitamin D. Nature needs nature to sustain life. We are of nature.

Mineral-lined jewelry + thermal body energy = **WHOLE-BODY HEALING** Capabilities.
