[Click here to go to download page](#)

This is a fairy tale that begins... at the end! You know the part that says, "...and they lived happily ever after?" Well, so they did - but not exactly for "ever after!"

Very soon after the mysterious prince married his beautiful princess, they learned that future dreams cannot be built to last on the sins from their long-forgotten past. Demons still lurk here, and it will take more than courage to save this young family from their evil power.

The young princess must quickly become a powerful and determined queen. Help the princess protect her kingdom and the ones she love the most!

Features:

- Explore beautifully drawn locations
- Earn challenging achievements
- Bonus chapter and content
- Find over 40 hidden collectibles
