Primary Source Analysis Tool

Source Author:	Source Date:
Other Notes:	

Engage	Observe	Reflect	Question
What do you already know about this time period? How do you understand life to be different or the same?	What do you notice first? Who is the author? Who is the audience? What are they saying?	How are you similar to or different from the intended audience? What do you think the audience's response was? If someone made this today, how would it be different?	What aspects of this source were new or confusing to you? What else would you need to know to understand it better?

Further Investigation: What else would you need to know to thoroughly understand this source and these events?
