**DISCLAIMER:** We are not securities dealers or brokers, investment advisers or financial advisers, and you should not rely on the information herein as investment advice. We are a marketing company and are paid advertisers. If you are seeking personal investment advice, please contact a qualified and registered broker, investment adviser or financial adviser. You should not make any investment decisions based on our communications. Our stock profiles are intended to highlight certain companies for your further investigation; they are not stock recommendations or constitute an offer or sale of the referenced securities. The securities issued by the companies we profile should be considered high risk; if you do invest despite these warnings, you may lose your entire investment. Please do your own research before investing, including reading the companies' SEDAR and SEC filings, press releases, and risk disclosures. It is our policy that information contained in this profile was provided by the company, extracted from SEDAR and SEC filings, company websites, and other publicly available sources. We believe the sources and information are accurate and reliable but we cannot guarantee it. This video was conducted on behalf of Trident Resources Corp, and was funded by Resource Stock Digest LLC and/or affiliates. I do not own any shares of Trident Resources Corp. I have been compensated twenty two thousand dollars for this video. I only express my opinion based on my experience. Your experience may be different. These videos are for educational and inspirational purposes only. Investing of any kind involves risk. While it is possible to minimize risk, your investments are solely your responsibility. It is imperative that you conduct your own research. There is no guarantee of gains or losses on investments. Please do your own due diligence. I am not a financial advisor, and this is not a financial advice channel. All information is provided strictly for educational purposes. It does not take into account anybody's specific circumstances or situation. If you are making investment or other financial management decisions and require advice, please consult a suitably qualified licensed professional.

The securities of Trident Resources Corp are speculative, and the company has not yet achieved consistent positive cash flow from operations. As a growth-stage company, it anticipates negative cash flow for the foreseeable future as it focuses on development and commercialization efforts. Parties viewing this video should thoroughly review the company's public disclosure and documents available on sedarplus.ca.
