Dear Class of 2024 and Parents/Guardians,

I hope that you are having a relaxing and enjoyable summer. I am Ty Ross and I will be your child's Assistant Principal for their 10th grade school year. On behalf of the administration, faculty, and staff at Lower Merion High School, I am excited to welcome you to the 2021–2022 school year. With the start of last year's school year being virtual, we were not able to host our in-person parent sessions as part of the 9th grade orientation. From 7:00 to 8:00 PM the 9th grade parents will have the opportunity to attend a presentation in the auditorium called "How to Navigate High School". This presentation was offered to the current 10th grade parents via a webinar last year at the start of the school year.
