GKMS Families,

For the 2022-2023 school year, Genoa-Kingston CUSD 424 has entered into a partnership with Safe Passage of Dekalb County in order to present our mandatory Erin's Law curriculum to all of our students. At GKMS, the focus of this presentation will involve educating students about what sexual abuse is, how to access help, and what constitutes a healthy relationship. Presentations will be taking place on November 28th for Mrs. Thurlby's PE classes and Mr. Schmidt's Health classes, and on November 29th for Mr. Jenkins' PE classes.

Our goal, in the spirit of Erin's Law itself, is that through education we will be able to provide a safe environment to educate students about this important topic.

If you have any questions or concerns, or would like to opt your student out of participating in this lesson, please feel free to email or call me, or Craig Butcher, GKMS principal at 815-784-5222.

Sincerely,

Mrs. Jennifer Franz  
School Social Worker
