

# **Jerry's Live - Episode #54:**

## **Light Boxes and Drawing Aids**

**Date:** 04/24/18

**Time:** 5:30pm Eastern Standard Time

**Where:** Jerry's Official Facebook Page- > <https://www.facebook.com/JerrysArtarama>

**The Jerry's Live video will be hosted by Instructor Amy Gardner Dean (Jerry's Resident Professional Artist) and the rest of the FB Live Team.**

### **Details**

We all know how Amy feels about learning to draw-- anyone can learn, and should! However, she will agree that there is a time and place for drawing aids to be used to help speed work on anything from murals to lengthy commissions. From basic composition grids to proportioners, light boxes to projectors, find out what tool you may want to invest in to have in your arsenal. Time is money, money IS time... Some of the new LED Digital Projectors can even be your portfolio on the go to show potential clients, collectors, galleries, and more!
