

Quest Families,

Happy Halloween! We are planning on having a modified version of our annual **Halloween parade on Friday, October 30th**. Because the parade will start at **9:00am**, we ask that students come to school already dressed in their costumes. There will be a virtual option and an on-campus option for parents and relatives to watch our on-campus elementary kiddos parade in their costumes. **To watch our parade from home**, parents will be sent a link to a YouTube live streaming session. Students will be recorded as they pass by the office, one class at a time, and you'll be able to see them in all their Halloween splendor! **For those who would like to attend the parade for their on-campus children**, they should bring camping chairs or blankets and set them up along the outside of either building (*see attached map*—the yellow dots indicate where families can sit). **Everyone watching the parade on campus needs to be wearing a mask and should position themselves as close to the building as possible** to allow our students to parade on the sidewalks surrounding the schools. Families should also **allow six feet between** them and neighboring families. Although individual teachers may choose to have other Halloween festivities throughout the day, we will not be asking for parent volunteers this year. Also, afternoon kindergarten families will receive information from their child's teacher regarding their parade.

E-learner students are welcome to dress up as well. Their teachers will let them know when they can show off their costumes from home via Zoom/Google Meet. So that the ENTIRE school can see our e-learners in their costumes, we ask parents to **take pictures of their children and send them to Angelee Spader** (aspader@questac.org) no later than **Thursday, Oct. 29th**. We will make a video compilation of these pictures and share it with all our students.

Costume guidelines:

Please note that costumes should be modest and without blood or gore. Also, face coverings must also be worn throughout the entire day. Students are welcome to paint their faces and wear Halloween masks; however, those masks will only be worn when directed to do so by the classroom teacher (e.g. during the parade, when a class picture is taken, etc). Weapons and anything that depicts violence are not allowed on school property (knives, guns, swords, spears, etc.). If you have questions about costume accessories, please contact us. Just to reiterate, no blood, either depicted on the costume or in makeup, is allowed.

We are excited to continue this tradition at Quest! We hope these precautions will allow us to celebrate in a fun, memorable way!

Quest Administration

Quest families of on-campus students are welcome to bring camping chairs or blankets and set them along the school grounds where the yellow dots are located. This will allow us to maintain social distancing guidelines and participate in our annual Halloween parade!
