

Dear Windham Southwest Supervisory Union (WSWSU) Families,

As we transition into summer break, we want to ensure that all children in our community continue to have access to healthy, nutritious meals. We are thrilled to announce the launch of our **2026 Summer Food Service Program**!

Through this federally funded program, **Meals are for all children 18 and under who do not get free meals at any other site or program.**—no paperwork, no income requirements, no ID, and no registration necessary. Just show up and enjoy!

Why Participate?

- **It Supports Our Community:** Federal funding for our school nutrition program is directly tied to participation. The more families who take part, the stronger our program becomes.
- **It Supports VT Farmers:** Our summer menus proudly feature Vermont-grown fruits, vegetables, and local dairy.
- **It's for Everyone:** These meals are open to all families, regardless of whether you live in the immediate area or what your household income is.

*Note: While registration isn't required, filling out our quick **Interest Form** on our website helps our kitchen team predict how many meals to prep each week! Meals are distributed on a first-come, first-served basis.*

This institution is an equal opportunity provider.
