SpiralingSprite/SoulCatcher TOS:

1. WIPs can be provided to the commissioner as they are done but given at low resolution
2. Changes are allowed throughout the sketch phase of the art, up to 2 major changes allowed; any further will incur an extra fee
3. If you are satisfied with the provided sketch, it will remain locked as that for lining and coloring. Please understand this is to avoid going in circles and redoing the artwork over and over.
4. For commissions of designing new characters, it must be paid upfront before work can begin
5. Unless otherwise stated, my art is not to be used for commercial purposes.
6. Please do not rush me; I have a life outside of creating art, and sometimes I may have important or urgent matters to attend to that it needs to wait.
7. If I am left incapable of drawing art or unable to finish your piece for an extended period of time, you will be given a heads-up about it and may choose to receive a refund if you would rather not wait it out should you have paid already
8. For a flat colored/shaded image, I will ask to be paid in full after the sketch is shown.
9. For sketch/lineart, I will ask for the money right away before working on it.
10. I may use the art I created for anything I wish to use it for.
11. I have the right to refuse service to anyone if I deem it necessary; I would rather serve people who are reasonable and not a pain in the rear to deal with.
