- **Wake up on touch**
- **Wall mount options : Surface or Flush**
- **MDM support [Esper](#), [Hexnode](#)**
- **Kiosk mode url lock down.**
- **Kiosk mode app launch.**

10" Android POE device makes it ideal for applications such as employee time & attendance, meeting room booking & scheduling, home & building automation and digital signage. The unit can be mounted on a wall using standard VESA mount for surface wall mounting and with a special enclosure for flush wall mount. Supports Android 13 with optional MDM support and Kiosk mode browser lockdown.

The 10-inch Android 13 POE tablet PC supports a high resolution IPS screen with a resolution of 1280x800 and brightness intensity of 350 nits. The 10" Android POE device supports a built-in RJ45x1 port to connect to ethernet or PoE lines. The unit supports PoE (802.3af) and PoE+ (802.3at) standards. Wall mount options include: Surface mount (VESA 75×75 or 100×100) or flush mount option (with an open-frame back casing and a magnetic front panel). Please refer to [GK-QR101-N](#) for the flush mount model.

Mounting Options:

Surface Mounting

The 10-inch Android 13 POE tablet PC can be surface mounted using a standard VESA 75×75 wall mount

Flush Wall Mount

The 10-inch Android 13 POE tablet PC can be flush mounted with the provided open frame back plate. The open frame can be inserted into a wall (e.g a dry wall). A magnet metallic front frame is then attached to the front to give it a nice aesthetic look.

Specifications:

Operating System:	Android 13
Display Technology:	IPS 10 Points capacitive touch screen
Screen Size:	10.1 inch
Max Resolution:	1280*800
CPU Type:	3568 CPU (OS Support Android 13)
CPU Manufacturer:	Rockchip
CPU Speed:	3568 1.8GHZ
RAM / Technology:	DDR3
RAM Installed Size:	4GB for RK3568
Hard Drive Type:	32GB NAND FAST FLASH
PCMCIA Expansion:	T-FLASH(Support 16G MAX)
Camera:	Front Camera 5MP
HDMI:	1080P
3G:	supports External Modem (optional)
Audio:	Built in stereo speakers/Built in Microphone
Power Supply	12V/2A
Bluetooth	Bluetooth v2.1+EDR/Bluetooth 3.0/3.0+HS/4.0
Mounting Options	Wall mount options include surface mount VESA 75×75 or 100×100 Open frame for flush wall mount.
Item Dimensions/ W*D*H:	258*175*26.7 mm
Net Weight:	600G
Input/Output Connectors	
Ports:	3 x USB (host) 1 x RJ45/PoE 1 x Micro Sd Card slot 1 x DC jack 1 x Earphone jack
Communications	
Networking	Built-in LAN port for Fast Ethernet or PoE 802.3af/at
Wireless Connection:	WIFI
Wireless Protocol:	802.11 b/g
Serial Interfaces	USB Host x 3 Mini USB
