

Kain Ramsay - NLP Practitioner Certification Course

A Comprehensive Training Course in the Core Concepts, Methodologies & Principles of NLP | Neuro-Linguistic Programming

Take your Neuro Linguistic Programming (NLP) to Certified Practitioner level with this life transforming course that'll guide you through the process from appreciating the basics, to fully understanding the principles and practices that are used by professional experts all around the world.

This comprehensive and exciting NLP Practitioner training course is guaranteed to help you understand a broad range of powerful tools, techniques, verbal and non-verbal communication skills that you can build into your life right away to either help yourself, or other people to achieve mastery in any area of their personal or professional life.

Packed full of unconventional ideas that can be used to break unwanted habits and limiting beliefs, build confidence and create powerful lasting anchors. The skills we teach at NLP Practitioner level can be practically applied in areas such as business, sports, education, coaching, therapy or even just for your own personal growth.

NLP Practitioner training has attracted international interest for guiding delegates on a life changing journey of learning, change, self-discovery and personal development. Throughout this course, you will learn how to;

- Become an influential and inspirational communicator
- Use NLP for setting goals, outcomes and life coaching
- Become competent at reading non-verbal communications
- Increase your sensory acuity and (un)conscious awareness
- Master your thinking and take control of your emotional states
- Understand fears, anxieties and other destructive emotions
- Develop strategies for making better values based decisions
- Develop strong personal and professional relationships
- Envision success, create success and achieve lasting results
- Modify undesired behaviours in yourself and other people
- Efficiently extract and elicit information from others
- And much more ...

This is an extensive NLP Practitioner Certification Course, and throughout the duration of the training you will cover over 26.5 hours worth of practical and results-driven teaching that will open up your thinking, help you to fully understand

behaviour, and intimately reconnect you with both your conscious and unconscious thinking.

This cutting edge training course has been highlighted as one of the most comprehensive and in depth online NLP video based training courses in the world. The course embraces the original core teachings of traditional NLP, blended in with a range of more recent NLP frameworks and psychological ideologies that haven't yet entered the textbooks.

Upon completion of the course, you will have a grounded understanding of the most predominant core concepts, ideologies and techniques that the world's leading NLP Practitioners use to facilitate positive change in themselves and the clients they serve.
