

February 5, 2016

The results of yesterday's tournament are now available.

[February 4 First Thursday Tournament Results](#)

The silver tees on Mesa Linda defended themselves well. Only four players were able to match or better the course rating of 62. Congratulations to Rich Clause, who led the challengers with his net 59. Yesterday was also kind to Tom Kennedy. His Hole-in-One won in many ways, but most importantly, he collects a \$300 award for a regular tournament ace.

February 19, 2016

The results of yesterday's tournament are now available. Congratulations to Bill McCrea, in first place with his 40 Stableford points. Bill also had the lowest overall net score of 59. Don Spreeman shot the lowest gross of 72, on a day he almost didn't play.

[Third Thursday February 18 Stableford Tournament Results](#)

Please offer Jim Thornton your condolences for the concussion he suffered from banging his head over all of the problems this tournament created. The pro shop had reserved Los Lagos, instead of Mesa Linda. This was caught in the nick of time by one of our members. The rain, though brief, was so heavy, a handful of players withdrew after getting soaked on the first holes. Another bunch called to cancel that morning, or just didn't show. The proshop expects green fees to be paid before the last group tees off, but the player count was nearly impossible to determine at that time. The scorecards submitted may have set a record for errors and omissions. Only six of 24 cards were completed correctly. The errors included recording net scores, instead of gross, using a different Stableford point allocation, abundant math errors, omitting total scores, illegible scores and not posting any score.

We love you guys, but please communicate to the tournament director when you are unable to play. If you learn you are unable to play the morning of the tournament, please call the proshop. We were able to avoid charging green fees to those who couldn't play

yesterday, but without notice, you could end up losing your entry fee.

Please check your scorecards for accuracy and completion. Some errors could result in a disqualification.
