

Position:

Demolition Worker (NOC 75110)
1 Permanent - Full-time Position

Wage:

\$25.00 per hour (full-time position – 40 hours per week)

Location of Work:

London, ON
and various sites across the province of Ontario

Job Description:

- Prepare sites by removing debris, setting up safety barriers, and ensuring secure work areas
- Assist in demolition of buildings and structures, removing walls, flooring, and other components using tools and manual methods
- Load, unload, transport, sort, and dispose of construction materials such as wood, concrete, and metal
- Follow all safety procedures and wear appropriate protective gear, especially when handling hazardous materials such as asbestos and mold
- Operate, clean, and maintain demolition equipment and tools
- Comply with site safety protocols and assist with on-site hazard management
- Perform other duties as directed by supervisors

Job Requirements

- High school education or equivalent experience
- 2 or 3 years of experience in demolition or construction preferred
- Experience with Jackhammers and Sledgehammer
- Endurance to perform physically demanding tasks in various weather conditions
- WHMIS, Working at Heights, 4-Step Safety Awareness, and Asbestos Awareness training (or willingness to obtain upon hiring)

Skills

- Strong physical condition
- Detail-oriented
- Reliable and safety-conscious
- Ability to work as part of a team

Benefits

- For distant candidates, we offer round trip transportation coverage.
- Assistance in finding affordable housing near the job location.
