

THE BROWN BAG CHALLENGE | Do Not Open Yet!

1. You have received a brown paper bag.
2. Inside, you will find a random assortment of items.
3. On your table, you have a piece of white square paper, glue, scissors, and some other materials.
4. Open your bag and take out the contents.
5. Observe the contents, spread them out, study them front and back.
6. Collaboratively, you and your tablemates will create a unique 2D artwork.
7. This artwork must be collaborative, EVERYONE PARTICIPATES..
8. Arrange the random items on your square paper before gluing them down. All tablemates must agree because it is a team effort.
9. You may add drawings and writing with your own materials, or the materials provided to you.
10. When your artwork is complete, you will appoint a speaker for your group to present your artistic process, group decisions, and how you worked through creative problem-solving.
