

Privacy Policy for Stack Master

Effective Date: [08/06/2024]

1. Introduction

Welcome to Stack Master! This Privacy Policy explains how we collect, use, disclose, and protect your information when you use our mobile application. We are committed to protecting your privacy and ensuring a safe online experience for all users, including children.

2. Information We Collect

We collect information to provide better services to all our users. The information we collect includes:

- **Personal Information:** We do not collect any personal information such as your name, email address, or phone number.
- **Non-Personal Information:** We collect non-personal information about your use of the app, such as gameplay data, scores, and achievements.
- **Device Information:** We collect information about the device you use to access the app, including the device model, operating system, and unique device identifiers.

3. How We Use Your Information

We use the information we collect for the following purposes:

- **To Provide and Improve the Service:** We use the collected data to ensure the app functions correctly, to improve gameplay, and to offer new features.
- **To Display Ads:** We use non-personal information to display ads within the app. These ads may be used to revive gameplay or level up.
- **In-App Purchases:** We process transactions for users who choose to make in-app purchases, such as the "No Ads" feature.

4. Information Sharing and Disclosure

We do not share your personal information with third parties, except as described in this Privacy Policy:

- **Service Providers:** We may share non-personal information with service providers who assist us in operating the app and delivering services.
- **Legal Compliance:** We may disclose information if required by law or to protect our rights, property, or safety, or that of our users or others.

5. Ads and In-App Purchases

- **Ads:** Our app contains advertisements. These ads may collect non-personal information to provide relevant ads. Users can opt to view ads to revive gameplay.
- **In-App Purchases:** Users can make in-app purchases, such as removing ads. Payment information is handled by the respective app store (Google Play or Apple App Store) and is not accessible to us.

6. Children's Privacy

We are committed to protecting the privacy of children. Our app is suitable for users of all ages, including children. We do not knowingly collect personal information from children under the age of 13. If we learn that we have inadvertently collected personal information from a child under 13, we will take steps to delete the information as soon as possible.

7. Data Security

We implement reasonable security measures to protect your information from unauthorized access and use. However, no security system is impenetrable, and we cannot guarantee the security of our systems 100%.

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

9. Contact Us
