

Wish List

Thank you for supporting BARCS' lifesaving mission! Below is our Wish List of needed supplies. Donating these items helps with the daily care of our animals and supports our operations.

Wish List donations can be dropped off 7 days a week between 9 a.m. and 4 p.m. Please place items in the blue bins outside our lobby doors. If the bins aren't present, ask a lobby representative if donations are being accepted that day. Note: We cannot pick up donations. Our address is 2490 Giles Road, Baltimore, MD 21225.

* Items with the red star are currently high priority!

PET MEDICATIONS

UPDATED MAY 2023: Per the United States Drug Enforcement Administration (DEA), BARCS is not able to accept any donated prescription medications. We can accept unopened, nonprescription, over-the-counter medications that do not require refrigeration.

If you don't see an item on our wish list it's because we are unable to accept it at this time. Please do not bring items to our shelter that are not on our wish list, as they overwhelm our limited storage or wind up in the waste receptacles. We appreciate your understanding!

If you prefer, you can [donate items from our Amazon Wish List](#) or our [Chewy Wish List](#) (click on the corresponding link or search for us by our full name “Baltimore Animal Rescue and Care Shelter”). Items purchased off of our Amazon and Chewy Wish Lists are shipped directly to our shelter. If you purchase through Amazon or Chewy, please let us know (items are sent to us anonymously) so that we can properly acknowledge your contribution by filling out our [online in-kind donation form](#) or emailing give@barcs.org.
