Kolos Crystal Wisp
duelyst.cards/wT

I edited this deck and removed 3 Dancing Blades for 3 Sojourners. This was done to help with the deck running out of cards. Dancing Blades doesn't belong in a Mech Deck in my opinion, but if you prefer to run that over Sojourner be my guest.

Kara

I'm not even going to post a deck here. There is no need for you to waste spirit on a bad general. If you want to play Vanar play Faie.
